RE: Public Communications Services, Inc.
Tariff Revision (South Carolina Tariff No. 2)

Dear Ms. Boyd:

Enclosed for filing please find the original of the revised tariff pages submitted on behalf of Public Communications Services, Inc. The purpose of this filing is to revise certain surcharges located in Section 3 of this tariff. This company was acquired by Global Tel*Link Corporation in 2010 and will eventually be merged into the parent. This tariff revision is filed as part of the effort to consolidate rating systems thus making rates and charges more uniform prior to the merger. Pursuant to the Companies original certification granting alternative regulation (DN. 2008-135-C; Order No. 2008-480), this filing also removes maximum rates.

The Company respectfully requests an effective date for this filing of August 1, 2012.

The following tariff pages are included with this filing:

3 rd Rev. Page 1	Updates Check Sheet
1 st Rev. Page 18	Deletes maximum rates

SECTION 3 - DESCRIPTION OF SERVICE, (CONT'D.)**3.7 Miscellaneous Charges, (Cont'd.)****3.7.2 Billing Cost Recovery Fee**

In order to partially offset increased expenses associated with billing calls via local exchange carriers, a cost recovery fee may apply each billing period in which local or long distance collect calls are billed through a Customer's local exchange carrier. Where applicable, this fee will be charged only once per billing period regardless of the number of calls. The fee will not apply in any billing period in which no collect calls are billed via the Customer's local exchange carrier. This fee does not apply to prepaid services paid for by commercial credit card, check, money order or wire, or for services billed directly to the Customer by the Company.

3.7.6 Voice Verification Service

Voice Verification Service is an optional service that provides validation of the inmate's identity through voice verification technology for purposes of improved security and reduced potential of fraud and Customer harassment by inmates. This charge applies to automated calls placed by inmates of correctional facilities when such calls are provided through the Company's own processing equipment. Where Voice Verification Service is requested by correctional facilities, this charge applies in addition to all applicable institutional rates and charges as specified in this tariff.
